**OPERATIONAL REPORT**

The District’s Autumn surveillance program continued throughout the month. District personnel continue to routinely inspect public areas, such as street gutters, catch basins, box drains, swimming pools, etc., for any evidence of mosquito breeding. No breeding was found in the areas that were inspected.

**MANAGER’S REPORT**

**Public Education**

The District has continued its public awareness campaign to promote public safety through effective mosquito control and shared public responsibility. Social media platforms are being updated daily with information, stories, and best practices for protecting yourself from mosquitoes. District personnel are also in the neighborhoods daily, distributing mosquito awareness literature and promoting the District’s message directly to residents.

**Annexation**

The Local Agency Formation Commission For the County of Los Angeles (LALFCO) confirmed submission of the District’s Annexation application on 12/19/24. LALFCO will contact CCMAD once the Annexation process is finalized.

District Modernization Program

The District is currently awaiting the finalized plans for repair and reconstruction on the Gambusia (Mosquito Fish) Pond from LPA Inc.

Compton Creek Maintenance

Rivers Project Manager Julio Ramos of the U.S Army Corp of Engineers (USACE) will update CCMAD on 01/27/25 regarding sediment removal of Compton Creek.
