**OPERATIONAL REPORT**

The District continued its spring surveillance program began in the month of April for the beginning of mosquito breeding season. District personnel continue to routinely inspect public areas, such as street gutters, catch basins, box drains, swimming pools, etc., for any evidence of mosquito breeding. No breeding was found in the areas that were inspected. The District also began testing Compton Creek for breeding. No breeding was found in Compton Creek.

**MANAGER’S REPORT**

**Public Education**

The District has continued its public awareness campaign to promote public safety through effective mosquito control and shared public responsibility. Social media platforms are being updated daily with information, stories, and best practices for protecting yourself from mosquitoes. District personnel are also in the neighborhoods daily, distributing mosquito awareness literature and promoting the District’s message directly to residents. On March 29, 2025, the District participated in a Town Hall Meeting for Compton City Councilman Jonathan Bowers of the 3<sup>rd</sup> District. The Town Hall to place at Burell-McDonald Park at 2516 W. Alondra Blvd. Compton, California 90220. On April 5, 2025, the District participated in a Town Hall Meeting for Compton City Councilwoman Deidre Duhart of the 1<sup>st</sup> District. This Townhall Meeting took place at Neighborhood Housing Services, located at 1051 W. Rosecrans Ave, Compton CA 90222.

Mosquito Awareness Week

Mosquito Awareness Week took place from April 13<sup>th</sup> - 19<sup>th</sup> 2025. The District posted informational vignettes on CCMAD's website and social media platforms.
